Price: \$6,099. Free Sauna Therapy package included with *Seattle* magazine promo.

The Clearlight Sanctuary 3 is a three-person infrared sauna available in either grade "A" clear western red or Canadian cedar wood. They are the only true Full Spectrum infrared saunas available offering advanced near, mid and far infrared technologies.

300 POSEIDON

\$600 discount with *Seattle* magazine special package price (\$7,599). Bought separately, individual product prices are: \$6,199 for tub; \$1,999 for deck.

The newest innovation for the Softub takes Hydrotherapy to a new level. Built on a Resort 300 frame, the Softub Poseidon replaces one of the traditional jets with the Poseidon Jet. You can now control which jets operate inside of your Softub by twisting the Poseidon Jet face! Additionally, you can have ALL of the jet pressure diverted to the Poseidon Jet, creating the most powerful 110V spa jet in the industry. Great hydrotherapy for deep tissue massage! The Poseidon can also be transformed into a whirlpool with a simple attachment. This allows you to take advantage of TRUE hydrotherapy – the movement of hot water around your body!
